

Alumni Visiting Policy

Al Salam Private School gladly welcomes former students to come back and visit the staff and students during the break time (10:40 – 11:20am). If you wish to visit at any time other than the given period on a school day, please contact the Secondary Department staff in advance of the visit in order to schedule a convenient day and time and obtain prior permission from the Head of Secondary. Due to the number of students visiting the school, walk-ins will not be welcome.

Please note, alumni permitted to visit school may not sit in lessons during their visit in order to avoid disruptions while teaching.
