

His Highness Sheikh Mohammed Bin Rashid Al Maktoum, Vice-President and Prime Minister of the UAE and Ruler of Dubai, has launched a seven year UAE National Agenda leading to the UAE Vision 2021.

Vision 2021

- United in Responsibility
- United in Destiny
- United in Knowledge
- United in Prosperity

Aim of the Vision

The Vision aims to make the UAE among the best countries in the world by the Golden Jubilee of the Union. In order to translate the Vision into reality, its pillars have been mapped into six national priorities which represent the key focus sectors of government action in the coming years.

National Agenda

- *Cohesive Society and Preserved Identity*
- *Safe Public and Fair Judiciary*
- *Competitive Knowledge Economy*
- *First-Rate Education System*
- *World-Class Healthcare*
- *Sustainable Environment and Infrastructure*

Cohesive Society and Preserved Identity

The UAE Vision 2021 National Agenda strives to preserve a cohesive society proud of its identity and sense of belonging thus, it promotes an inclusive environment that integrates all segments of society while preserving the UAE's unique culture, heritage and traditions and reinforces social and family cohesion.

Safe Public and Fair Judiciary

The UAE Vision 2021 National Agenda aims for the UAE to be the safest place in the world. Therefore it seeks to reinforce its citizens' sense of security and achieve leading positions in the areas of security, emergency preparedness, reliability of police services and road safety.

Furthermore, the National Agenda reinforces the importance of a fair and active legal system that guarantees the rights of individuals and businesses, and makes the UAE's judicial system among the most efficient in the world.

Competitive Knowledge Economy

The global economy will witness significant economic changes in the coming years and the UAE Vision 2021 National Agenda aims for the UAE to be at its heart. As a result, it focuses on the UAE becoming the economic, touristic and commercial capital for more than two billion people by transitioning to a knowledge-based economy, promoting innovation and research and development. These will improve the country's business environment and increase its attractiveness to foreign investment.

The National Agenda also aims for the UAE to be among the best in the world in entrepreneurship as this plays a key role in unlocking the potential of nationals and enables them to be a driving force of the UAE's economic development through small and medium enterprises in the private sector.

First-Rate Education System

Education is a fundamental element for the development of a Nation and the best investment in its youth. For that reason, the UAE Vision 2021 National Agenda emphasizes the development of a first-rate education system, which will require a complete transformation of the current education system and teaching methods of first-rate education system.

The National Agenda aims for all schools, universities and students to be equipped with Smart systems and devices as a basis for all teaching methods, projects and research. There will also be significant investments to promote and reinforce enrollment in preschools as this plays an important role in shaping children's personalities and their future.

World-Class Healthcare

Since success requires an open mind and healthy body, the UAE Vision 2021 National Agenda aims to achieve a World-class Healthcare system.

The Government will work in collaboration with all health authorities in the country to have all public and private hospitals accredited according to clear national and international quality standards of medical services and staff. This will result in the UAE becoming among the best countries in the world in terms of quality of healthcare.

Sustainable Environment and Infrastructure

The UAE Government wants to ensure sustainable development while preserving the environment, and to achieve a perfect balance between economic and social development.

To do that, the UAE Vision 2021 National Agenda focuses on improving the quality of air, preserving water resources, increasing the contribution of clean energy and implementing green growth plans.

Finally, seeking to further improve the quality of life of its citizens, the Agenda has set a target to provide suitable housing for eligible UAE nationals within a record timeframe.
